Part No:

Dust Caps

0.8mm Dust Caps - Male & Female Configurations

Part Number	Configuration	Photo
0.8MM-DC-F	Female	
0.8MM-DC-M	Male	Coming Soon

Material

• Body Female	Tin-Zinc-Copper Alloy over Copper plated Brass
• Body & Shell Male	Tin-Zinc-Copper Alloy over Copper plated Brass
• Retaining Ring	Tin-Zinc-Copper Alloy over Copper plated BeCu

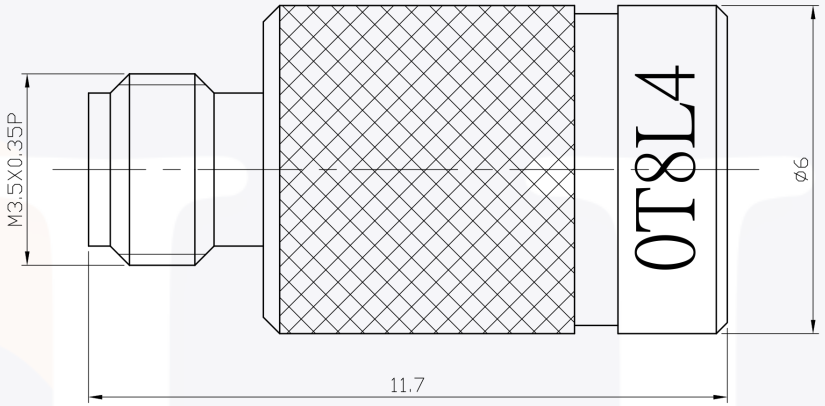

HASCO 0.8mm RF dust caps help protect precision connector interfaces from dust, debris, and accidental contact during storage, handling, and transport. Keeping unused connectors covered helps preserve mating surfaces and reduce contamination that can affect connection repeatability and RF performance. Use dust caps on exposed cable ends and equipment ports whenever connectors are disconnected.
